EDUCATION

St. Xavier's College, Kolkata — B.Com (Honours)	2022 – 2025
London School of Economics (LSE) — Strategic Management, Summer Programme	2023
La Martiniere for Boys, Kolkata — ISC (Class XII) 93%	2022
Additional Coursework: Financial Markets — Yale University (Coursera, 2021)	

CERTIFICATIONS

CFA (Chartered Financial Analyst) — All 3 Levels Cleared | Charterholder Designation Pending | CFA Society India Member

WORK EXPERIENCE

IndCap Advisors Investment Banking Analyst	Mar 2026 – Present
Category 1 Merchant Bank — M&A Advisory, Capital Raising & Debt Resolution Kolkata	
- Executed 5+ live M&A and capital raising mandates ranging from ₹10 Cr to ₹1,000 Cr across Retail, FMCG, and Pharma sectors as one of two analysts in a five-member deal team - Built DCF, trading comps, and transaction comps models from the ground up — structuring assumption frameworks, deriving implied valuation ranges, and stress-testing outputs across multiple scenarios - Authored pitch decks and Information Memoranda for institutional and strategic investors, constructing transaction narratives, investment theses, and sector positioning for capital raising and sell-side mandates - Tracked M&A and PE deal flow across Indian mid-market transactions, analysing deal structures, valuation benchmarks, and precedent transaction metrics to support internal deal screening and mandate origination - Conducted target screening and sector research, building comparable company benchmarks for Indian private companies using financial statements and funding round data from Tracxn	
Dhanvesttor Equity Research Intern	Jun 2025 – Oct 2025
Sole research intern in a seven-member team (1 PM, 1 Assistant PM, 4 ER Associates) Kolkata	
- Produced 20+ full-length equity research reports with buy/sell recommendations distributed to clients across Steel, Metals, FMCG, and Automobile sectors using DCF, comparable company analysis, and trading multiples - Delivered a high-conviction bullish call on Steel & Metals adopted by the Portfolio Manager — sector returned 14.33% over the following six months - Attended the Arihant Capital Bharat Connect – Rising Stars Conference covering 200+ listed companies; subsequently authored company-level research reports and briefed the PM on actionable investment ideas - Built transaction benchmarking decks and comparable company analyses to support portfolio positioning and capital markets research	

SELECTED TRANSACTION EXPERIENCE

- Farm-to-Fork QSR Company** | Sell-Side M&A | ₹40 Cr | Built model with projections, prepared IM, led client meetings — **deal closed**
- National Kidswear Retail Chain** | Capital Raising | ₹10 Cr | Developed investor pitch deck and comparable analysis; transaction in execution
- Two Undisclosed Targets** | Acquisition Screening | Conducting market landscaping and sector mapping for potential acquisition mandates
