Third-Generation Entrepreneur

PROFESSIONAL SUMMARY

Third-generation entrepreneur with hands-on experience in industrial rubber manufacturing and supply. Founder of **Leela Satyashree Rubber**, a vertical under Kaavish Industries, focused on delivering high-quality rubber sheets and precision-engineered industrial rubber solutions for diverse applications. Backed by a family legacy of over 30 years in the rubber industry, actively involved in business development, client relations, operations, and supply coordination across sectors including manufacturing, engineering, railways, defense, marine, construction, pharmaceuticals, and food processing. Alongside business, demonstrates leadership through community initiatives, event management, and cultural engagement.

PROFESSIONAL EXPERIENCE

Founder — Leela Satyashree Rubber

A Vertical of Kaavish Industries

- Founded and developed Leela Satyashree Rubber under Kaavish Industries, focusing on premium industrial rubber products and engineered rubber solutions.
- Oversees manufacturing, distribution, and business operations for rubber sheets, neoprene gaskets, conveyor belts, and moulded rubber components.
- Works closely with clients across industries including automotive, construction, manufacturing, engineering, mining, railways, defense, marine, pharmaceuticals, food processing, and oil & gas.
- Manages client servicing, vendor relationships, operational execution, and business development initiatives.
- Contributes to the company's focus on durable, eco-conscious, and precision-engineered rubber solutions tailored to industrial requirements.
- Built strong long-term business relationships through reliability, communication, and solution-oriented coordination.

LEADERSHIP & COMMUNITY INVOLVEMENT

Ex-Secretary — Interact Club, Rotary 3291, The Heritage School

- Led fundraising and community outreach initiatives supporting underprivileged communities.
- Coordinated volunteer activities, social impact programs, and club events.
- Developed leadership, public communication, and stakeholder management skills.

Event Management — Youthopia & AIMS

- Assisted in organizing large-scale youth and cultural events.
- Supported sponsorship outreach, logistics, and participant coordination.
- Built strong networking and execution capabilities through collaborative event management.

CULTURAL ENGAGEMENT

Travelled across multiple countries, with a strong interest in culture, food, and global experiences.

Active football enthusiast; Team Captain at The All Stars and part of the Calcutta Champions League, Kolkata's first AI-powered community football league.

Passionate follower and active participant in recreational cricket.

Part of multiple board game communities, including regular weekend sessions of Blood on the Clocktower (BOTC), fostering strategy, teamwork, and social engagement.
